AUGUST BULLETIN 2011

General Manager's Report

August typically sees the course and pool visits start to slow down. For our members that will be visiting the pool please keep in mind the closer we get to school starting the more of our guard staff we will lose. There will be more and more times that no guards will be on duty. You can always call ahead to find the staffing availability. Please be reminded that when there is no one at the pool shack we ask you to sign in at the Pro Shop. We will continue to serve food at lunch and on Wednesday and Friday nights through Labor Day weekend. Monday, September 5th will be the last day food will be available poolside. There will be no lunch served in the Lodge dining room Monday, August 1st due to the Hospice golf outing. We will serve poolside that day.

Fees and Charges Due

As we enter August it is time to remind everyone that all fees should have been paid by now. All accounts are thirty days net. Your outstanding balances are subject to 1.65% monthly and 19.8% annually finance charge. We also charge those accounts with a balance over sixty a late fee of \$25 each month. As the summer winds down and your visits to the pool and course become less frequent Lodge 590 mailings tend to be forgotten. Please remember we will send out over \$50 thousand in receivables on August 1st. That is our operating capital. In order to make payroll and pay our purveyors your prompt attention to your accounts is most important.
